# TOTAL CARE

## WE ARE COMMITTED TO EXCELLENCE IN OUR TOOLS AND OUR SUPPORT

Total Care establishes more direct and effective engagement with customers and channel partners. Our goal is to give you an added value experience, and to increase your customers' satisfaction with Stanley Black & Decker by providing more engaged support.

# STANLEY

# SERVICE

## CONVENIENCE

At the heart of the STANLEY 5 star service promise are 5 star service centers which are conveniently located throughout the country, with specialists always available to answer any questions whether you are on or off the job site.

## SPEED

Having your tools back in action in the fastest time possible is our prime objective. Subject to parts availability, most repairs should not take long time in the workshop and for those smaller urgent repairs we provide a "while-u-wait" service.

## QUALITY

Highest Quality is assured with STANLEY factory trained technicians carrying out all repairs with all work being backed by our 90 day warranty. Each STANLEY repair comes with our personal "satisfaction tag" listing all the work done and a STANLEY contact telephone number should you be less than 100% happy with the repair.

## GENUINE PARTS

All parts used in repairs are original, ensuring both the highest quality and a perfect fit every time.

## ONLINE SERVICE

[www.2helpU.com](http://www.2helpU.com) provides information on STANLEY After Sales Services, including STANLEY authorized service center locations some frequently asked questions, technical information, spare part details and warranty policy. You can also contact us directly via the website.

## [www.2helpU.com](http://www.2helpU.com)

Not all STANLEY service centers are 5 star rated. Those that are not may not be able to provide all services available above but will display in-store a detailed list of their selected services.

**STANLEY**  
**LIFETIME**  
**LIMITED**  
**WARRANTY**

STANLEY is confident of the quality of its products and offers an outstanding warranty for customers. We have identified a need amongst our end-users for a lengthier warranty policy.

Therefore, we will offer limited lifetime warranty for STANLEY hand tools

In order to honor your warranty, proof of purchase must be provided.

Latest Warranty Terms and Conditions are available from [www.2helpU.com](http://www.2helpU.com). Or consult your local distributor, authorized service center or local STANLEY office for more details.

STANLEY reserves the right to review and amend its warranty policies, periods and product eligibility without notice as STANLEY considers appropriate.

## MEASURING TOOLS

STANLEY is the pioneer in measuring tools. We invented the first steel tape rules in 1930. In 1963, the classic D-shaped PowerLock® design was introduced. It had the world's first coil-able spring and sliding lock, elements that continue to be the core of modern day designs. PowerLock® was also a part of Apollo 11's Lunar Landing Gear in 1969.

The torque wrench is an essential and sometimes mandatory tool that is now fundamental in most garages and workshops. The Britool torque wrench range has been carefully designed to provide a range of solutions to meet the needs of the torque-tightening user

### Unique 3-phase Mechanism

A progressive torque build-up to the selected setting is easily detected by three clear signals:

1. SIGHT—see the mechanism progressively move towards the point of break as the load is applied
2. TOUCH—feel the point of torque
3. SOUND—unmistakeable CLICK. This makes it ideal for use in noisy environments
